

Our bodies have a skeleton

We meet our skeleton!

Autumn 1

Bones
in
my
fingers.

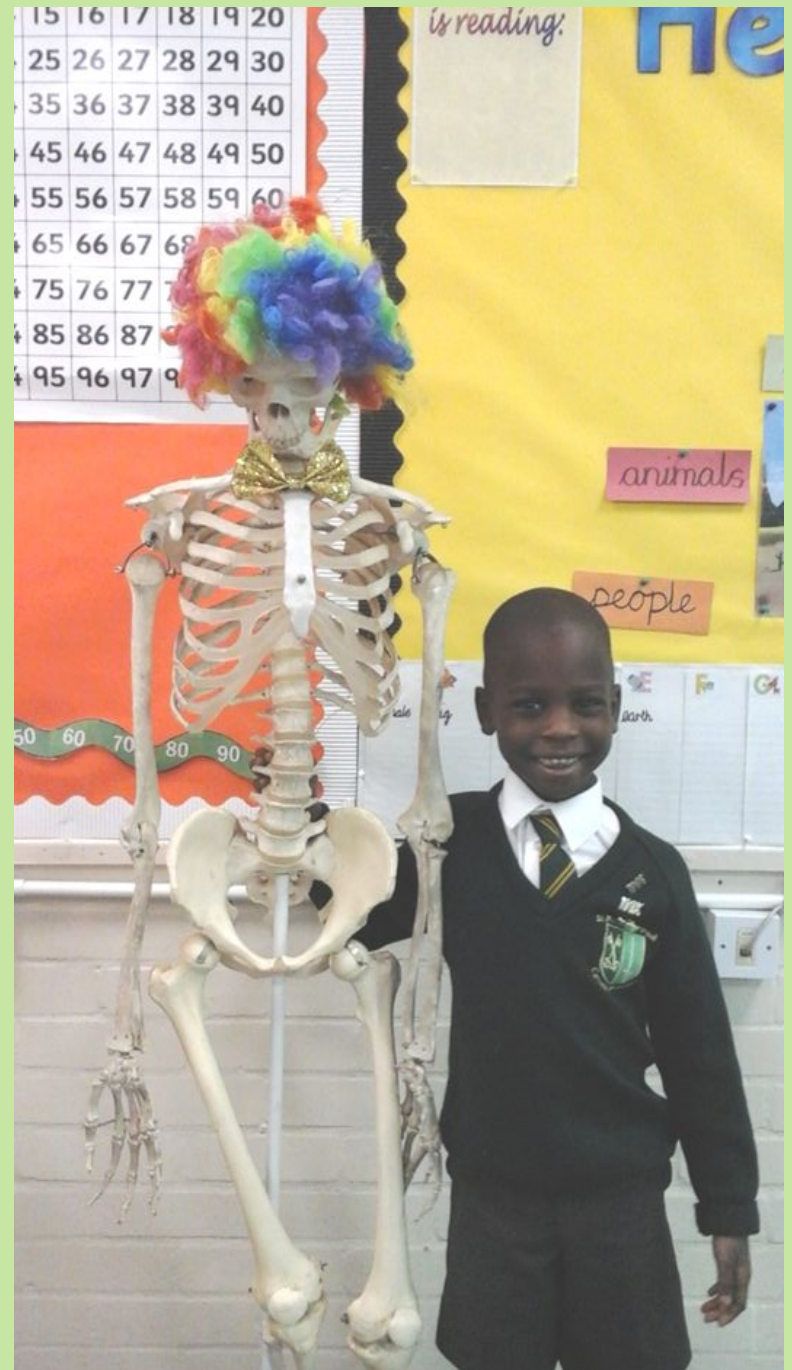

Bones
in
my
toes.

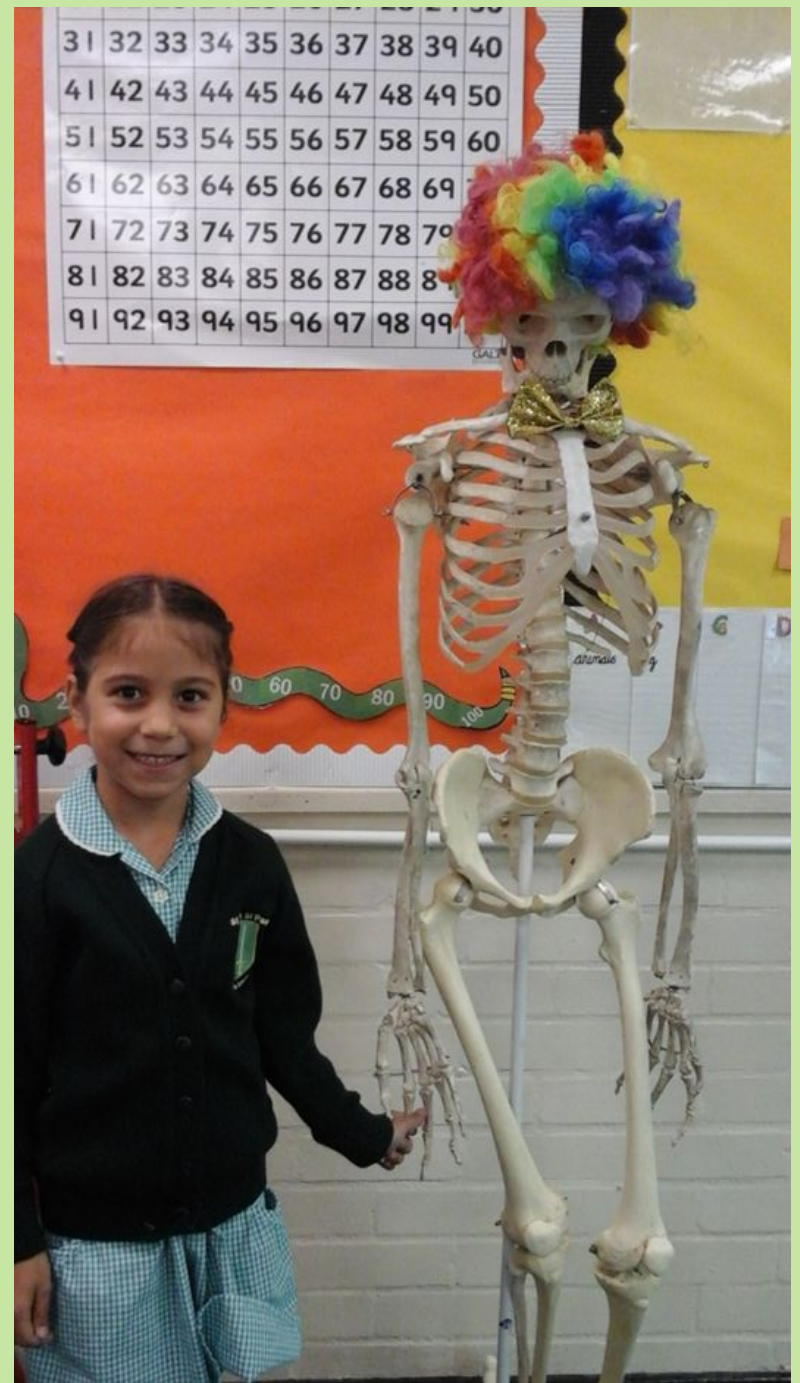

Not
in
my
ears.

And
not
in
my
nose.

Bones
in
my
hands.

Bones
in
my
feet.

Bones
in
my
legs

Help
me

run

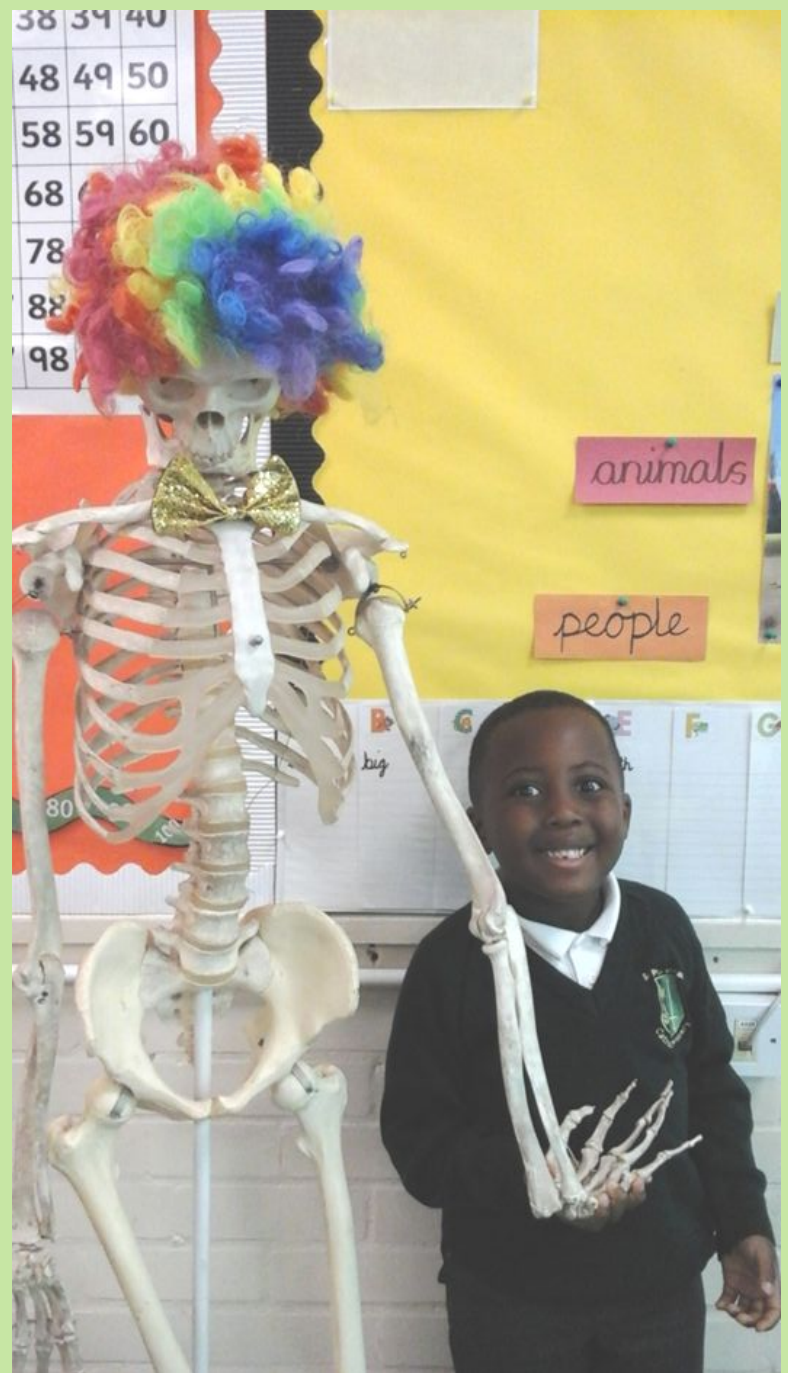

down

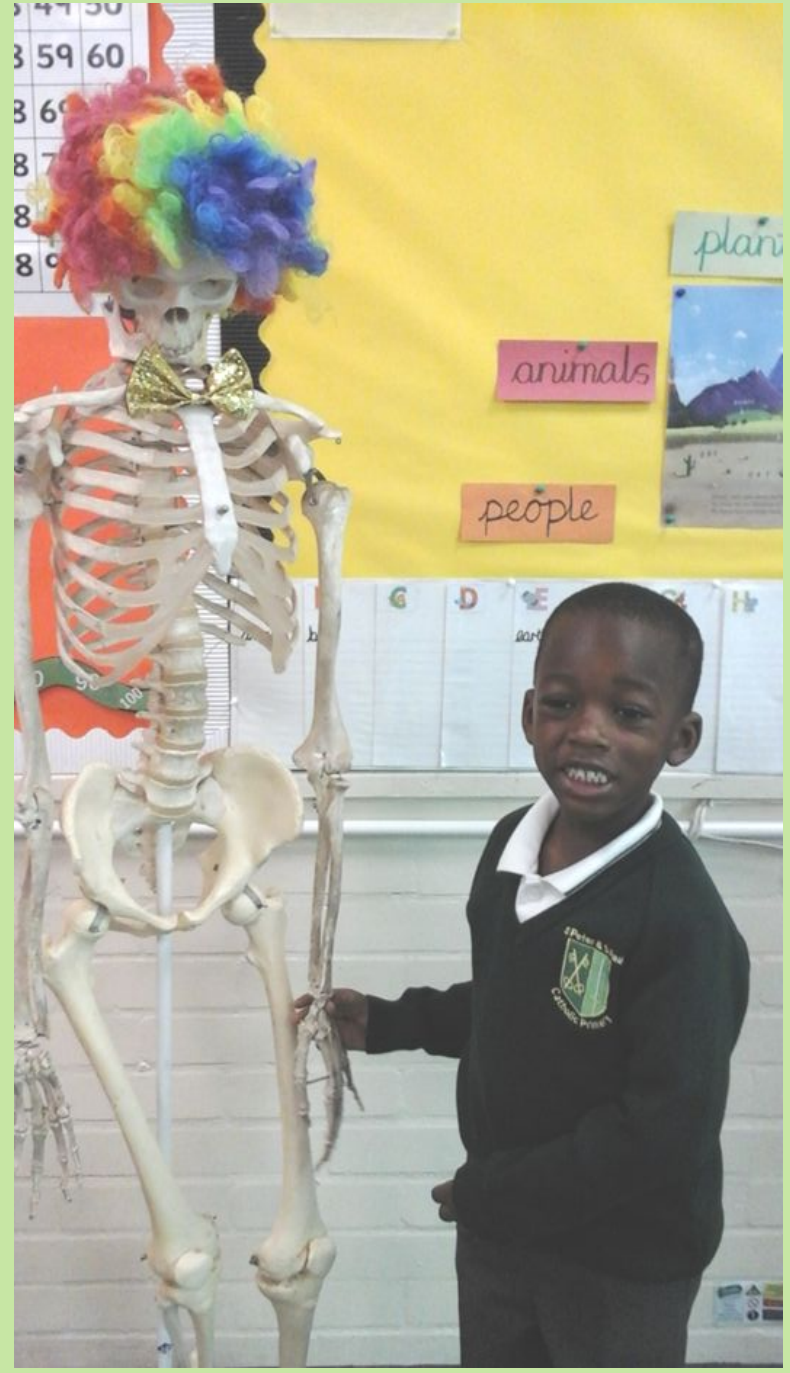

the

street.

Those bones, those bones, those dry bones.
Those bones, those bones, those dry bones.
Those bones, those bones, those dry bones.
Click, clack! Skeleton bones!

The toe bone's connected to the foot bone.
The foot bone's connected to the ankle bone.
The ankle bone's connected to the leg bone.
Click, clack! Skeleton bones!

The leg bone's connected to the knee bone.
The knee bone's connected to the thigh bone.
The thigh bone's connected to the hip bone.
Click, clack! Skeleton bones!

The hip bone's connected to the backbone.
The backbone's connected to the neck bone.
The neck bone's connected to the head bone.
Click, clack! Skeleton bones!

Those bones, those bones, those dry bones.
Those bones, those bones, those dry bones.
Those bones, those bones, those dry bones.
Click, clack! Skeleton bones!
