# Year 6 project

## Due : 26.04.19

The family became fabulously wealthy, emigrated to Australia and formed a habit of naming their houses '**Avalon**', after their Somerset roots. The same name was used when the family moved briefly back to the UK to **Chislehurst**.

**Your task is to research Avalon and create an information booklet about this building:**

- Where is it located?
- When was it built?
- What was it used for?
- What is it used for now?
- What are the main features of this house?
- Are there famous names associated with this house?

**This can be presented as typed or written work (on A4 or A3 paper) in a booklet.**
