

Maths Challenge

A challenge this afternoon folks.

We have come across a maths game on Busy Things - Splash Dash - addition and subtraction.

We are currently 2nd to Pickhurst Infant Academy and it would be great if we were NUMBER 1!!!

Log in using this link [Busy Things](#), then go to Key Stage 2; then to Willow Class; next to Top 40 activities and then number 28 (when I wrote this) *Splash Dash: addition and subtraction* and have a go!

If you have any brothers or sisters who are also at our school, encourage them to play too (they go into their class on Busy Things).
