

*Dear Parents*

*It was a great pleasure to have your little ones in our classroom this year. We learned so many things.*

*The year is over, and now we return your children to you, the same children that you entrusted to our care. We return them a little bit taller, a little bit older, months wiser and more mature than back then.*

*Even though they would have grown without our help, it has been a pleasure and a privilege to see their personalities grow day by day and see how they have developed in their learning.*

*We have laughed, played, learned and enriched our lives during the time we had together. Take care of your children, for they are so precious.*

*We will always have a great interest in your children and their future, wherever they may go, whatever they may do and whoever they may become.*

*The year 1 team*
