

Year 3-Extended Learning-28-9-20

Last week, we focused our learning on, amongst other things, adverbs in English and halving in maths.

To reinforce your growing knowledge, I'd like you to have at these worksheets.

Adjectives -

On this sheet you have to decide which word goes in which row to allow another adjective to appear in the shaded column.

Doubling and halving -

Have a go at being a teacher and marking Sally's homework.
