

My Body

Today we will be...

Thinking about the different parts of our bodies.

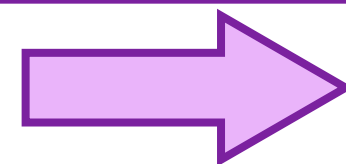

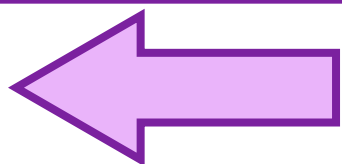

What
do we use our
bodies for?

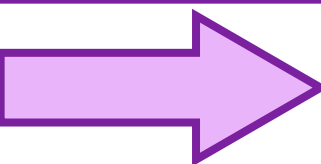

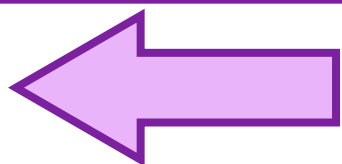

Think of as many ideas as you can with a partner.

Our bodies are amazing. They are made up of lots of different parts that each do a special job.

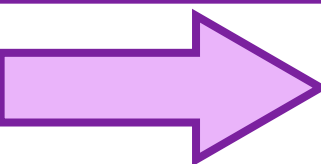

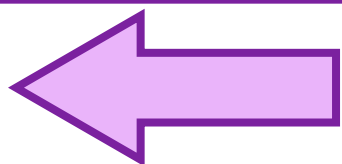

I'm
going to show you
some words showing
different body parts. Read
each word and point to
that part of your body.
Are you ready?

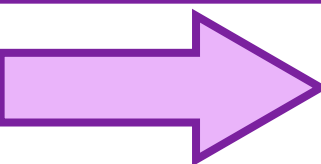

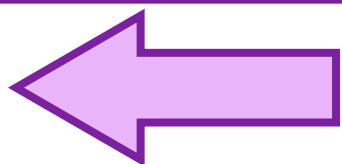

Head

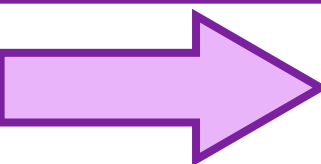

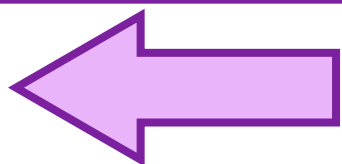

Leg

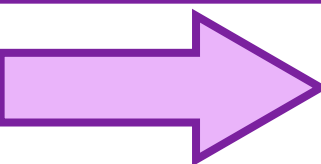

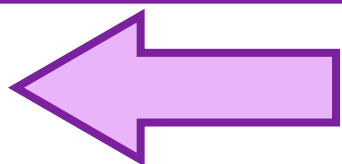

Arm

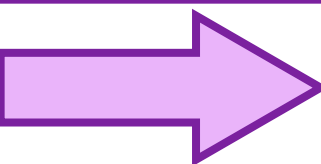

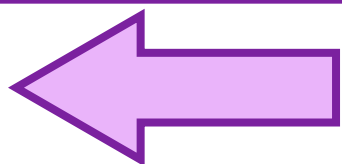

Foot

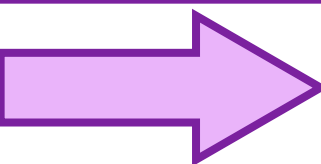

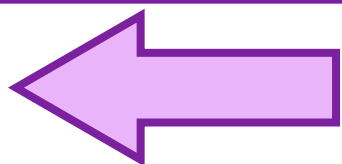

Elbow

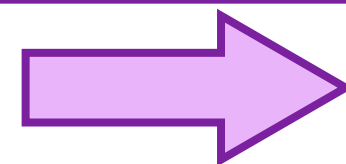

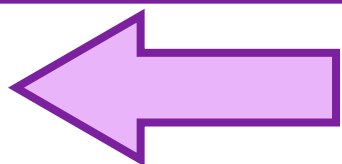

Ankle

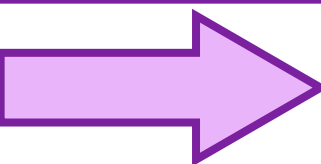

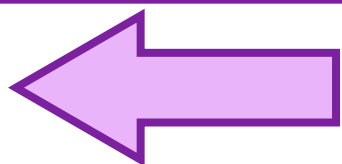

Knee

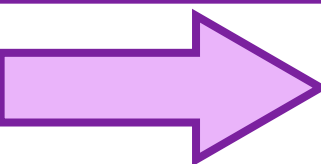

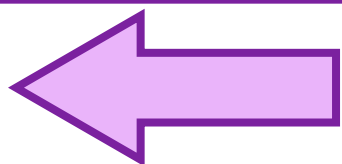

Shoulder

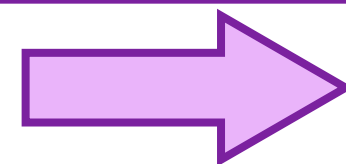

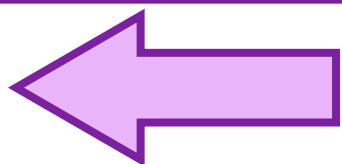

Finger

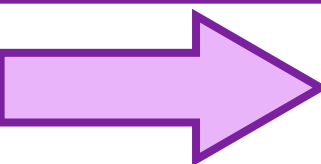

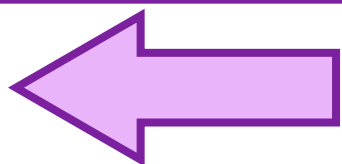

Mouth

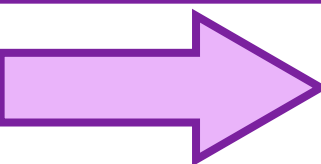

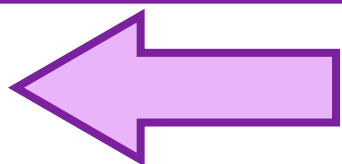

Ears

Toe

Stomach

Well done!
Now I am going to
show you a riddle.
Can you guess which
body part is being
described?

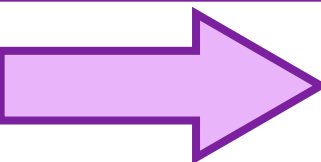

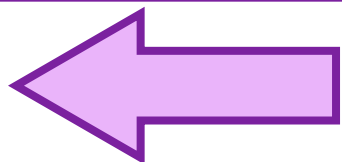

I help you to stand up.

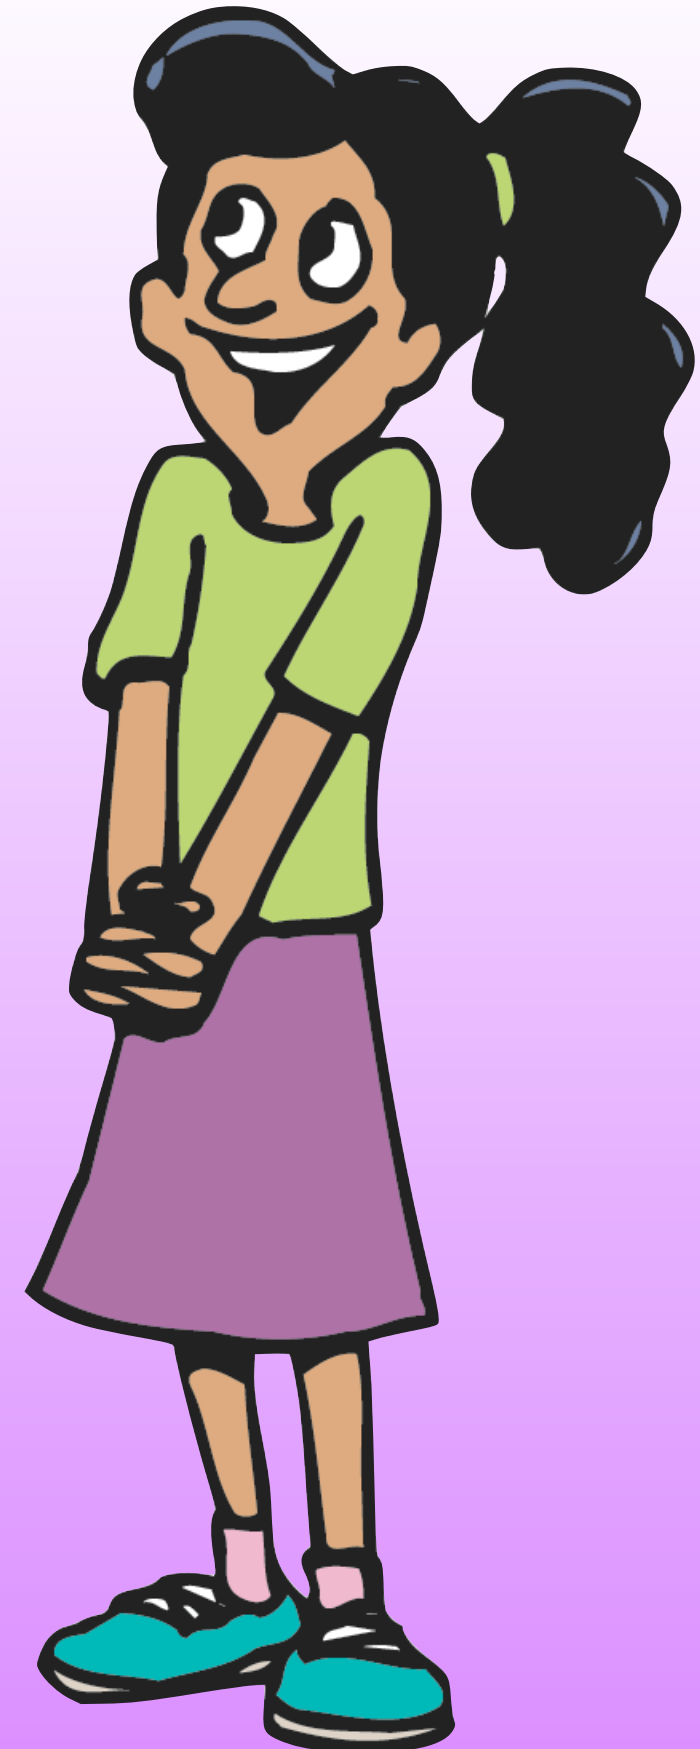

I am on the end of a foot.

Most people have ten of me.

What am I?

I am a
toe! Did you get that

I am the easiest thing to see in
a mirror.

I have a brain inside me.

I am held up by your neck.

What am I?

I am a head! Did
you get that right?

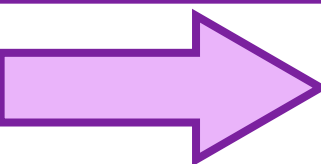

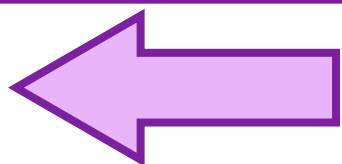

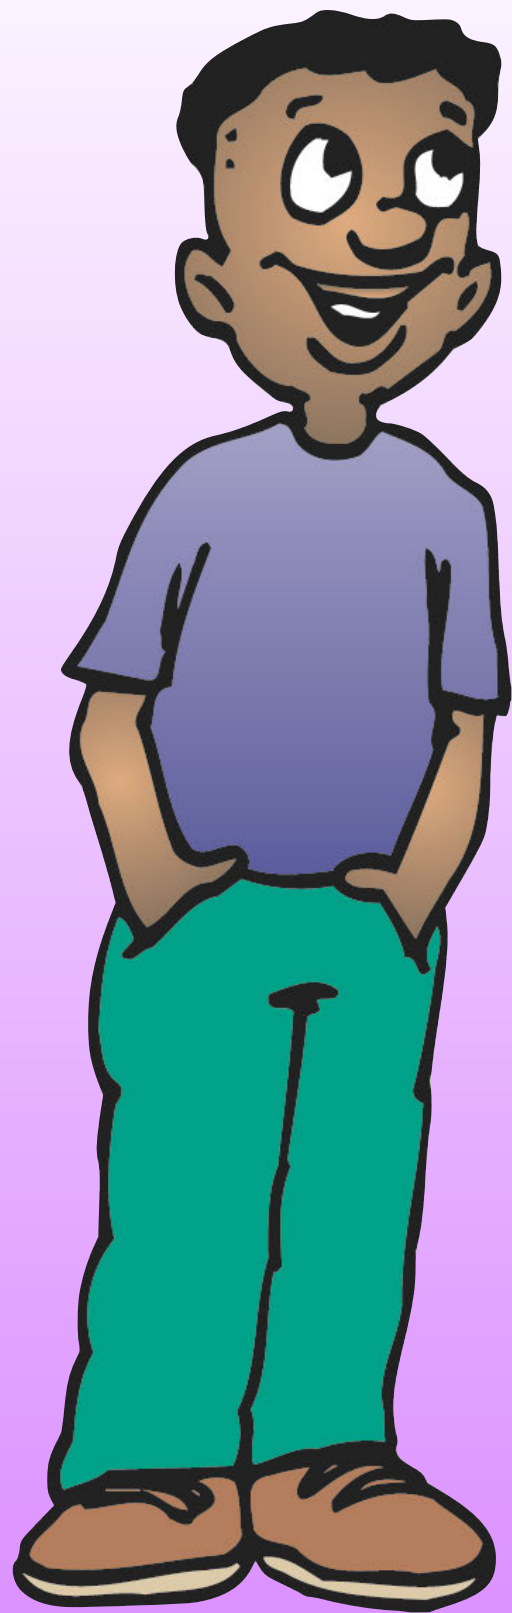

Most people have two of me.

I am at the end of your arms.

I connect your arms to
your hands.

What am I?

I am a wrist! Did you
get that right?

You have one of me.

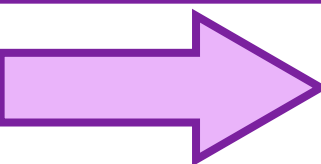

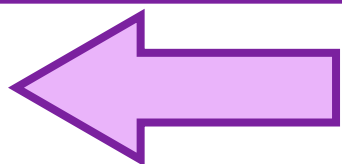

I am part of your face.

I am under your eyes and
above your mouth.

What am I?

I am a nose!
Did you get that
right?

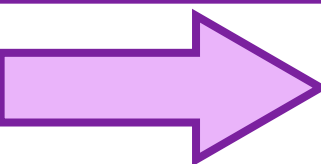

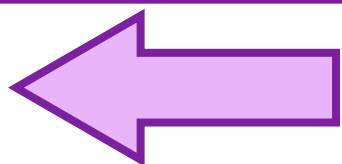

You have one of me.

I am useful for sitting on.

I am at the top of your legs.

What am I?

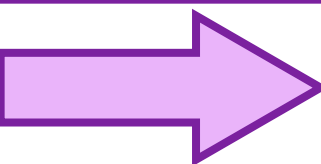

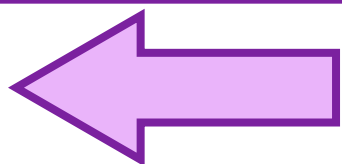

I am a
bottom! Did you
get that right?

I am at the end of
your fingers.

I am quite hard.

I have to be cut every
now and then.

What am I?

I
am a fingernail!
Did you get that right?

Good job
everyone!
