

Journey in Love Overview

	<i>Physical</i>	<i>Social</i>	<i>Emotional</i>	<i>Intellectual</i>	<i>Spiritual</i>
<i>Reception</i> <i>Taught during Summer Term</i>	<i>God loves each of us in our uniqueness</i> To understand that God has made us unique and that we are all different we are all special to him.	Children look at how they are different from each other. Graph of eye colours, hair colour etc.	Who do you play with? What games are played? What qualities do we have?	How do you feel about your friends? How do you show your love for your friends?	Why is it important to have friends?
<i>Year 1</i> <i>Taught during Autumn Term</i>	<i>We meet God's love in our family</i> Children to know and understand that they are growing and developing as members of their own family and God's family.	Look at family members; mum, dad, grandparents etc. Talk about how fast babies grow and change.	How do children help and care for others at home?	Memories in the family. Happy – Weddings, christenings. Sad – Death of pet	Why do we need to grow up in a family?
<i>Year 2</i> <i>Taught during Autumn Term</i>	<i>We meet God's love in the community</i> Children to know and understand that they are growing and developing in a God-given community.	What is a community? Do we belong to a community?	What do we receive/give to the community that we belong to?	Are we happy in our community?	How can we make sure people are involved in our community?

<p>Year 3 <i>Taught during Autumn Term</i></p>	<p><i>How we live in love</i> Children to know and understand the virtues essential to friendship. The importance in forgiving and being forgiven and celebrating God's forgiveness.</p>	<p>Who takes care of me?</p>	<p>Keeping safe and taking care for others.</p>	<p>How do you feel when your friend isn't around?</p>	<p>Recognising the difference between being alone and being lonely.</p>
<p>Year 4 <i>Taught during Spring Term</i></p>	<p><i>God loves us in our differences</i> Children to know and understand that they are all different and celebrate these differences as they appreciate that God's love accepts us as we are.</p>	<p>To recognise that all pupils grow and develop at different rates. To know parts of the body. Identify the development in the womb.</p>	<p>Learn to accept who they are. Dealing and managing conflicts that arise.</p>	<p>Appreciating their own gifts, talents and achievements. Dealing with emotions</p>	<p>Identifying and naming feelings. Dealing with what they feel.</p>
<p>Year 5 <i>Taught during Spring Term</i></p>	<p><i>God loves me in my changing and development</i> Children know and become aware of the physical and emotional changes that accompany puberty. To grow further in their understanding of God's presence in their daily lives.</p>	<p>Physical changes in boys and girls. Menstruation. Ovulation.</p>	<p>Recognising that behaviour changes as we grow up. Social and emotional changes.</p>	<p><i>As Physical</i></p>	<p>Share understanding of change through poetry and prayer.</p>

<p>Year 6 <i>Taught during Summer Term</i></p>	<p><i>The wonder of God's love in creating new life</i> Children develop in an appropriate way for their age, an understanding of sexuality and grow further their appreciation of their dignity and worth as children of God.</p>	<p>How human life is conceived.</p>	<p>Recognise signs of love around.</p>	<p>How relationships develop.</p>	<p>Understand that God causes new life to begin through the love that our parents have for each other. Celebrate God's creative love in creating us</p>
