Dear Acorns,

In RE we have been thinking about how much God loves us. How does this make you feel? Does it make you feel happy, joyful or elated? Can you creatively show how it makes you feel?

Some ideas!

- A heart collage.
- A painting expressing happiness.
- A dove made from different materials to represent peace.
- Mosaic sun – to represent the warmth/love from God.

Once your masterpiece is complete, display your art work at home so that everyone can admire it.

I hope you enjoy this activity.
