This week, we are again looking at spellings that belong to the same family of words.

Many words share the same origin\* or root word.

\* The word origin means where something came from or where it began.

The root words '*light*' and the Latin root word '*lumin*' (which means light/glow) are the base for many spellings from the same word family.

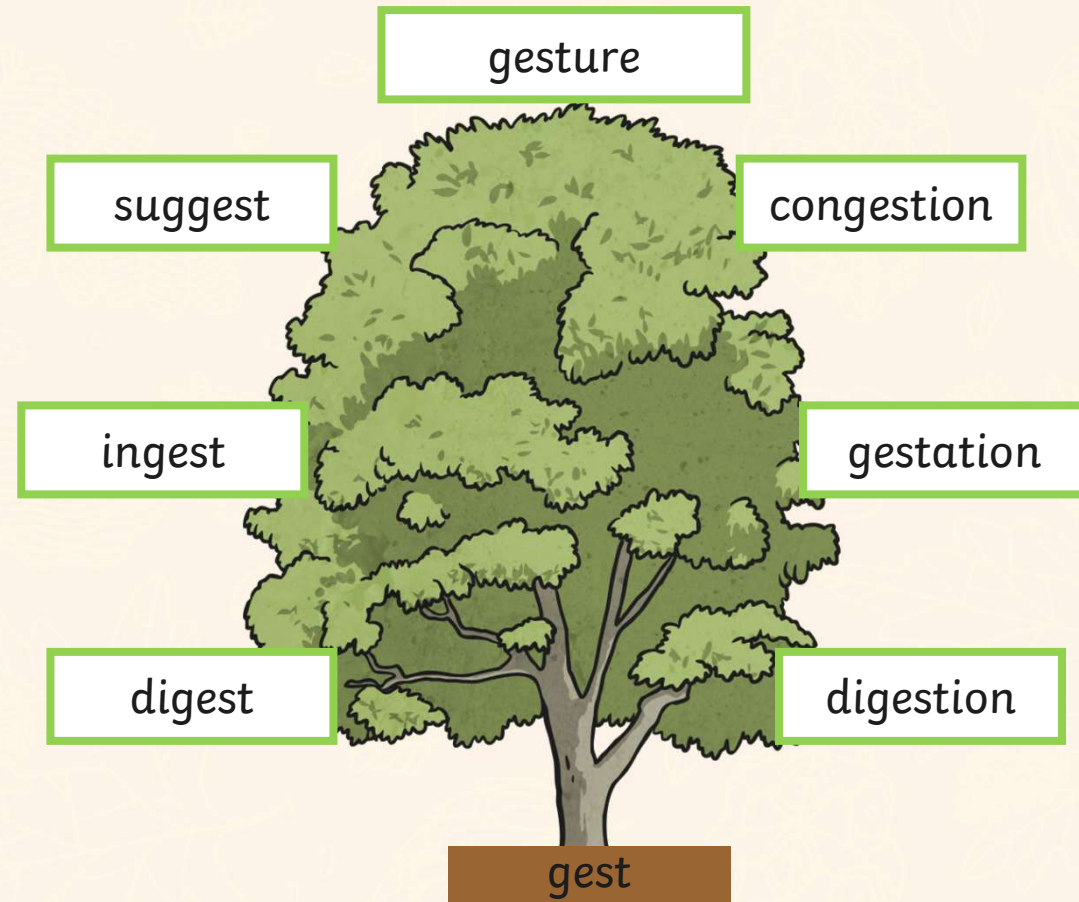

The root word '*gest*' also comes from an ancient language called *Latin*.

It is often used in words that have a meaning to do with carrying or bearing something.

Working with a partner, can you think of any words that you think belong in this word family?

Do you know the meanings of all these spelling words for this week?

suggest  
digest  
congestion  
gesture  
gestation

lightning  
daylight  
enlighten  
twilight  
limelight

Use a dictionary to help you define any that you are unsure of.

Work with a partner and work out which of the words you think fits best in this sentence?
