Dear Acorns,

This week I would like you to think about one of the books you have read online with your grown-up. Please choose one story. Can you retell the story? Can you draw a picture to show what has happened in the story? You may want to draw to the characters in the story. Remember to hold your pencil correctly.

Additionally, I have attached some fun Christmas activities for you to enjoy at home. Please share the Christmas CVC reading activity with your grown-up. How many words can you read? I have also attached a fun phonic PowerPoint. Can you guess which letter sounds are missing? I hope you enjoy the activities.
