Review Period:	Annual (or in line with changes to the main Safeguarding Policy)
Reviewing Committee:	Full Governing Body

What is this?

Your school has a *Safeguarding Policy* for staff, families and governors.

This 'child-friendly' policy is designed for young people and this should be read as a guide to the main policy.

What is it for?

To help you decide what could be a 'problem' and where to get help and support.

Is someone bullying you?

You must tell someone at school so we can help you.

Examples of people you can tell are:

- Your teacher
- Mrs Seymour
- Miss Everson
- Miss Henry
- Mrs Baines
- Your teaching assistant
- Your midday supervisors

secret!**

If in doubt, talk to someone. There are many staff at school for you to talk to and they will help support you.

The four main areas of Child Protection concerns are:

- 1. Physical Abuse** – hitting, smacking, shaking, throwing, burning, biting etc
- 2. Sexual Abuse** – be aware this doesn't always mean actually touching a child. It could be someone making you watch things to do with sex or encouraging you to act in an inappropriate way.
- 3. Neglect** – this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the doctors when you need to go. There may be lots of different reasons why a child is neglected and it is really important that we know so we can help.
- 4. Emotional Abuse** – This means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless.

These are just a few examples for you and if you think you may have a problem that is similar to one of these then talk to someone at school.

How does St Peter and St Paul work to protect children?

There are lots of different ways, but one of the main ways is making sure the staff here at your school know how to keep you safe and also make sure you have someone to talk to if you need to.

Your Principal is here to support young people and their families if there is a Child Protection concern.

Safeguarding and Child Protection mean the same thing and they mean that we look after children and keep them safe.

Talk to someone

Sometimes a member of staff at your school will need to check things with your Principal and then if they can deal with the issue themselves, they will.

There are times though when they may need to contact some other agencies for support. These may be Children's Social Care (Social Workers) or the Police.

There are lots of other agencies who support children and their families as well.

Your Principal will talk to you and explain all of this and you can always go and ask them questions if you are unsure about anything.

Don't keep it a secret if...

Someone is upsetting you.

Someone is bullying you.

Someone is saying funny things to you that you do not like or makes you sad.

Someone is touching you where they shouldn't.

Someone is trying to give you tablets, cigarettes, drugs or alcohol.

Someone is hitting, punching or smacking you.

Someone is sending unkind messages on the internet or to your phone.

Someone is asking you to keep it a secret.

Remember this could be another child or an adult.

Let someone know!
