Times Tables

I'm going to give you 10 times tables questions from Times Tables Rock Stars on the jamboard after our spelling test. They might be multiplication or division and they could be shown either way round ($2 \times 8 =$ or $8 \times 2 =$). They will come from the following times tables - 2, 3, 4, 5, 8 or 10 - so keep practicing on TTRockStars so you feel really confident.
