Times Tables

Just like last term, I'm going to give you 10 times tables questions from Times Tables Rock Stars after our spelling test. They might be multiplication (2 lots of 8 =) or division (how many lots of 2 will go into 8) and they could be shown either way round ($2 \times 8 =$ or $8 \times 2 =$). They will come from the following times tables: 2, 3, 4, 5, 8 or 10, so keep practicing on TTRockStars so you feel really confident.
