Covid-19 Symptoms – Getting Tested

If you, or a member of your family, are displaying any symptoms of Covid-19 please get tested and isolate until you get a result. This should be a PCR test that is booked in, not a rapid lateral flow test. The rapid lateral flow test is for people without symptoms of Covid-19 who may be asymptomatic.

Get a PCR test as soon as possible if you have any of these symptoms:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

You and anyone you live with should stay at home until you get your test result. Only leave your home to have a test. Anyone in your childcare or support bubble should also stay at home if you have been in close contact with them since your symptoms started or during the 48 hours before they started.

For more information visit [NHS Get Tested for Coronavirus](#)

Sun Cream

As we are approaching warmer weather, we understand sun cream is essential for your little ones to stay safe.

Sun cream can be kept and stored in your child's tray in their classroom. This has to be clearly labelled with your child's name and your child must be confident in applying the cream themselves.

Please note, adults are unable to apply this to your children.

Sun hats are also advisable and can be purchased on our online shop.

PTA Fundraising Reminders

Pre-Loved Uniform

The PTA pre-loved uniform stock has swelled with a large number of white shirts (see inventory), however these will be disposed of if not claimed by the week after half term. If you would like to stock up for next term with any of these free items, please contact PTA Chair, John Powell either direct or via the office.

The PTA will still welcome (washed) badged clothing or PE kit items, as long as they are in wearable condition.

OneLottery

The PTA's lottery is a super fundraiser and the more people who sign up, the larger the prize is at draw time! Just go to <http://www.onelottery.co.uk> and click on "Players - Support a good cause". Then start typing the Academy name in the search bar and you won't have to get very far before it springs up with the link to join. Good luck!

Nametags

Lessen the chance of children losing items by using using nametags. MyNameTags are excellent quality and don't come off in the wash! Please help the PTA to raise money by purchasing your child's nametags from <http://www.mynametags.com>. The Academy ID number is: 31250

EasyFundraising

With just one extra click when ordering online, retailers will donate a percentage of the value of your order direct to the PTA. Simple!

If you are not already signed up, it only takes a couple of minutes, and then you can begin using the easyfundraising website or app straightaway - simply shop online as normal. This will be an enormous help to the school, at absolutely no extra cost to yourself. Visit our easyfundraising page to get started: <https://www.easyfundraising.org.uk/causes/stpstpprimarypta>
