Preparing Your Child for Seedlings Nursery

We want your child to benefit fully from all the opportunities offered in the Nursery. The following suggestions will help to prepare them and ensure good behaviour:

- Talk positively to your child about Nursery, discuss the range of activities that are on offer and emphasise the fun they will have.
- Encourage independence when using the toilet, washing hands, dressing and undressing. Your child will enjoy Nursery life and learn more if not worrying about toilet training.
- Encourage them to look after belongings and to tidy up at the end of an activity.
- Encourage them to share and be kind to others.
- Show them how to handle and respect books and try to read with your child every day.
- Establish good bedtime routines. You will find that your child is tired after attending Nursery, so making sure that they go to bed at a sensible time will help them.

Settling In

Every child is different, you may find that your child settles in on day one and is happy to wave good-bye to you. Other children may need more reassurance and it may be necessary for you to stay with your child for all, or part, of the session. We will work with you to help your child feel secure and confident enough to manage without you at Nursery. Always tell your child when you are leaving and tell them that you will be coming back soon to collect them – some children become very upset when they find that a parent has left without saying goodbye.

Attending Seedlings Nursery

Regular and punctual attendance at Nursery is very important as children can become unsettled if they arrive late or miss a number of sessions. If your child is unwell and cannot attend Nursery, please contact the Academy on the first day of absence. We do have a waiting list for our Nursery and as such, attendance is monitored on a regular basis. If your child fails to attend on a regular basis without a satisfactory explanation he/she may be taken off roll.

Parents in Seedlings Nursery

To nurture our Seedlings we encourage parents to volunteer to participate in Nursery life. This could be accompanying us on a local visit to the library, reading with the children or helping on days when we are cooking or doing arts and crafts.

We welcome parents to 'Stay and Play' sessions, which will be held termly. During these sessions you will have an opportunity to explore areas of learning with your child and to look through your child's Learning Journal.

We look forward to welcoming you and your child into our Nursery and to the development of a partnership with you in the education of your child.

Nursery Essentials Bag

So your child's needs can always be met please pack a bag of essentials.

Things you could include:

- Change of clothes
- A pair of socks
- A spare pair of underwear
- A pack of baby wipes
- A sun hat and sun cream

Seedlings Uniform

- Green Academy logo tracksuit
- Grey trousers or shorts with grey or white socks
- White polo shirt, blouse or shirt
- Green checked dress with white socks (spring to autumn half term weather permitting)
- Green Skirts or pinafore with green or white socks or green tights
- Green jumper/cardigan with Academy logo
- A waterproof coat for when playing outside
- Black shoes. Sandals (must be enclosed). Velcro fastening trainers. Shoes need to be comfortable.
- Book bag with Academy logo

All clothing and belongings, including shoes, need to be clearly labelled; it is amazing what ends up in lost property!

For health and safety reasons no jewellery is permitted in the Academy, including stud earrings.

In order to avoid competitiveness we do not allow fashion accessories such as nail varnish. Long hair must be tied back and decorative hair slides/ties must be in the Academy Nursery colours (green, gold and white) and no large bows.

Too many zips and buttons, laces on shoes, tights can be a real problem for Nursery children, especially those who are recently toilet trained. A child likes their independence, so give them every chance to enjoy this new found freedom by dressing them in clothes that are easy for them to handle and put on themselves with the minimum of assistance.

One final plea, please make sure that your child has their book bag in school every day as they will have reading books, letters and home learning on various days. We would ask that you check your child's book bag every day too to see what has been sent home.

All Parents

If you move house, or your contact details change, please ensure that you advise the Academy Office. If you decide to accept an offer from an alternative nursery and wish to decline your offer from St Peter and St Paul, please let us know immediately. Please do not hold more than one nursery place at a time as this delays the offer of places to those on nursery waiting lists.

If you have queries or concerns do not hesitate to speak to the Academy Office.
