

HISTORY

Comparing old and new toys
Exploring their materials, how they work compared to today's toys
Victorian toys - rich vs poor children's Christmas presents, ways of playing
Ring Games

ENGLISH

Fiction Texts:

Iggy Peck Architect - linked to construction toys

Naughty Bus - linked to toy vehicles and imaginative play

DT

Moving Pictures

This 'Moving Traditional Tale Pictures' unit gives children opportunities to develop their understanding of mechanisms

MUSIC

Children explore ranges of sound production, using families of classroom instruments and compose an instrumental sound piece (experimenting with different instrument techniques and dynamics).

Year 1 Ash Class - Spring Term 1 Toys and Games

SCIENCE

Materials:

Identify and name everyday materials (wood, plastic, glass, metal) - link to 'Toys' by discovering what materials are used to make different toys and why they have been chosen for that toy.

Describe properties of materials (e.g. waterproof)

Make predictions about materials

Sort materials into groups

MATHEMATICS

White Rose Maths

Addition and Subtraction
Place Value

COMPUTING

Pictograms
Lego Explorers

RE- Come and See scheme - continued into spring 2

Local Church - Special People
Eucharist - Meals

GEOGRAPHY

Toys around the world
Hook - real toys from various countries

*Please see subject long term plans for a further breakdown of each subject and progression of skills

RSE - Life to the Full

Let the Children Come
Special People

PE
