

HISTORY

Ancient Greek Civilisation

Who were the Ancient Greeks?

Ancient Greek Democracy

Ancient Greek Olympics

The Battle of Marathon

Gods and Goddesses

The Trojan War

MUSIC

Ancient Greek Music: Children learn to understand and appreciate music from Ancient Greece and compose a soothing pitch notation for a Greek Myth.

Easter Passion Songs: Children learn songs for the Easter Passion production, singing with increasing timing and pitch accuracy, voice control, expression and diction. They listen to songs in great detail and strengthen their ability to recall sounds, through frequently repeating rhythm patterns and echo-singing phrases.

MATHEMATICS

White Rose Maths Scheme

Number: Multiplication and Division

Measurement: Money

Statistics

Measurement: Length and Perimeter

Number: Fractions

RE - Come and See scheme

Local Church - Journeys

Eucharist - Listening and Sharing

Lent/Easter - Giving All

*Please see subject long term plans for a further breakdown of each subject and progression of skills

ENGLISH

Greek Myths and Legends - Learn about Greek mythology, and their story-telling culture. Analyse myths and extract morals and messages from them. Understand the reasons for the creation of these stories, and have the opportunity for children to imagine and write their own ancient myths and legends.

The First Olympic Games - Using 'How the Olympics Came to Be' children will research and create a programme for the first Olympic Games.

Greek Gods - Research and write about Greek Gods as a non-chronological report.

Poetry - The Myth of the Minotaur

DT

Mechanical Posters - This 'Mechanical Posters' unit gives children opportunities to develop their understanding of mechanical systems.

Year 3 Willow Class - Spring Term It's All Greek

PE

Netball
Football

COMPUTING

Email - think about different methods of communication
Branching Databases - sorting objects using just 'yes' or 'no' questions

GEOGRAPHY

Locate the world's countries, using maps, to focus on Europe - place modern Greece on a map in relation to other European Countries.

Understand geographical similarities and differences through the study of human and physical geography of London, England and Athens, Greece.

ART

Bodies - Children will learn about how to use pen, charcoal, felt tip, make maquettes, make paper clothes and sculpt Giacometti-inspired models to create quality artwork that shows progression in skills.

SCIENCE

Animals Including Humans - Linked to Olympians bodies and nutrition

Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Identify that humans and some other animals have skeletons and muscles for support, protection and movement.

RSE - Life to the Full

First Aid Heroes

TRIP

The British Museum - TBC
