Spring Term
Issue: 20

I can't believe we are already at half term, it has just flown by. I would just like to thank you all for the support you have given to me whilst I have been getting more familiar with my new role. Thank you to those of you who have filled out the parent questionnaire, if you have not, there will still be time for you to complete it over half term. I have been looking at them as they come in and it is great to see the positive comments. It is my aim to address any issues raised after half term so we can make ourselves the best that we can be.

This week we have had two school trips. It really is wonderful that the children are able to experience things like this again and a sign that we are returning to something more familiar. Year 2 had a great time at the Royal Festival Hall and Year 5 likewise at the Horniman Museum.

It seems that more normality may be on the way with the announcement that the Government may be dropping all restrictions a month early, including the requirement to self-isolate, as long as the data goes in the right direction. This will be almost two years to the day when this all began. I will, of course, keep you updated with how this may affect schools. In the meantime may I take this opportunity to wish you happy and healthy half term.

Sakura (cherry blossom)

To symbolise the long standing relationship with the UK and Japan, the people of Japan have donated a Sakura (cherry blossom) tree to our school. So make sure you keep your eyes open to see this new addition to the school grounds.
