

Academy Newsletter

Friday 14th July 2023
Summer Term
Issue: 37

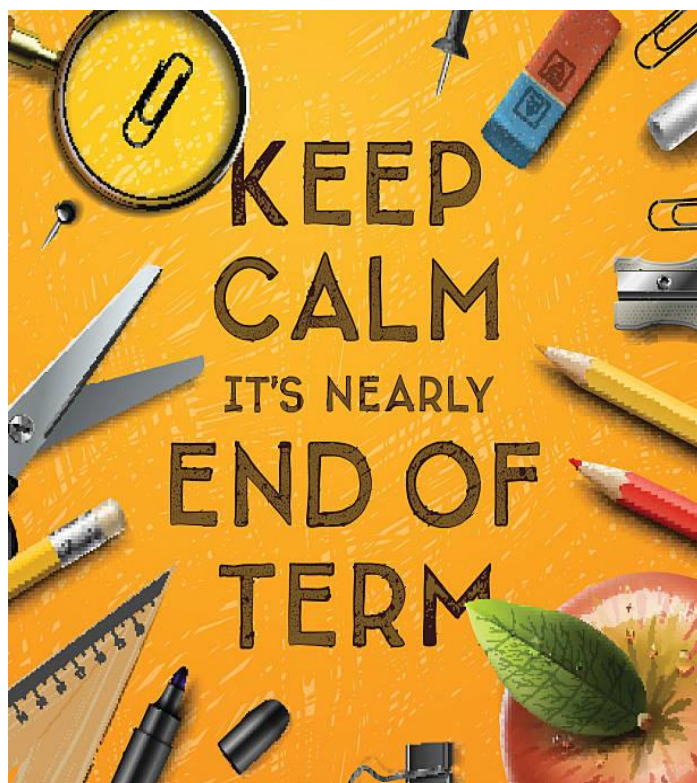

I cannot believe that this is the penultimate newsletter of the year! There have been lots of activities this week. Nursery held their sports day on Monday. Year 2 held their beach day, which the children thoroughly enjoyed. We welcomed the new EYFS children for their playdates and Year 6 were treated to an end of year bowling trip!

Reports will be coming home on Monday. You will be able to see how your child has progressed this year and discuss any of the contents on Open Evening.

Next week is also proving to be a busy one. We will be holding our transition morning on Wednesday, where your child will get to spend some time in their new classroom with their teacher for next year. Year 2 will be going on a cinema trip as their reward for winning the attendance Space Race. Well done Year 2!

Next week will also be a big week for Year 6, with their end of year production and leavers' Mass. I would like to wish them lots of fun at their prom tonight!

Fun with your children

Last day of Term - Bag

On Thursday please can you send your child to school with a backpack or large carrier bag (with their name on) as medication and any other end of term paperwork from their class will be bought home with them.

Open Evening – Tuesday 18th July 2023

We will be holding an Open Evening on Tuesday 18th July from 3:30pm to 5:30pm for parents, carers and pupils. This is an informal event which will give you a chance to look at your child's work in their classroom and have a chat with their teacher. You will also be able to wander around the rest of the building and meet with your child's teacher they will be having next year and see their new classroom. This information will be found in their reports.

The PTA will be putting on refreshments and other members of staff will be available to talk to if you require to do so. We will also be putting out all the lost property we have managed to accumulate over the year. Anything left with no name on, will be donated to the PTA.

You are free to arrive any time between the times above and stay for as little or as long as you like. Children are welcome. We look forward to seeing you.

Calpol

We are in the process of reviewing our medication policy. In September we intend to hold Calpol/Paracetamol on the Academy premises and should your child need a single dose of medicine, along with your permission, we can administer it. With this in mind, if your child needs more than one dose, it may be questioned that your child is not well enough to be in school. We hope that this can help boost our attendance and help working families.

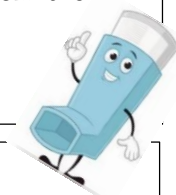

Medication

All medication will be sent home next week. Children will come home with a plastic wallet with the relevant forms to be completed and returned for the following year.

Please ensure you keep this safe and return on your child's first day in September.

If your child no longer needs the medication, please contact the Academy Office so this can be removed from the database.

Uniform

Uniform that has been found with **NO** name on will be donated to the PTA. The PTA will start re-sending the inventory out in the new term.

Please ensure you label your children's property, you will have the whole of the Summer holidays to do so. **No excuses!** ☺

The Academy ID number is: 31250

Stars

Do not forget that as we are finishing at 2pm next Thursday, there will be no twilight or evening stars sessions.

Please see below a couple of pictures captured by Nursery's Sports day held on Monday.

Sports Day Update

As you may be aware by now, today's sports day had to be cancelled due to the weather not holding off. We were able to attempt KS1 however very early on had to abandon activities as it was not in the children's best interest to continue.

Local Governor Position

Do you know of anyone in the local area who would be interested in taking up the position of Local Governor for St Peter and St Paul Catholic Primary Academy?

Why become a local governor?

- Make a positive impact on young people's lives and contribute to issues that you feel passionately about.
- Develop new skills, such as leadership, strategic planning, financial planning, and team working, that are valued by employers and can help your own career development.
- Use your skills and expertise to contribute to making our schools more effective. As a bonus, a governance role looks great on your CV.

Anyone aged 18 or over can be a local governor - you don't need to be a parent or have a connection with the school.

This role may be particularly of interest if you have skills in finance/accounting, human resources, data or education but we invite applications from anyone who is interested in helping the school be the best it can be. Full training is available, and governors are encouraged to attend regular meetings, either in person or online.

Safeguarding

As part of the local governor or recruitment process, volunteers will need to complete an Enhanced Disclosure and Barring Service (DBS) check and a social media check. These are organised by the school. Volunteers will also be asked to supply the names and contact details of two referees.

We take safeguarding very seriously and have robust procedures to address safeguarding issues. If we receive a complaint or concern about any volunteer's or individual's conduct, we will follow our set procedures.

If you would like to find out more about volunteering as a local governor, please email admin@stpstp.co.uk
