WELCOME BACK!

After such a sunny summer holiday the children all look rested and ready to start their learning for this year. Thank you for all the time you have spent hearing them read, encouraging writing and maths and above all exploring new places and teaching them about the wonderful world in which we live.

Our building has been very busy over the last few months; the new roofing is completed, all the windows are in and the rewire and new ceilings are very nearly finished. We do have one very special addition - our stained glass window. The children will tell you how beautiful it looks from indoors and how we have spent time looking at the beautiful coloured light it casts. It is a daily reminder of the importance of Christ in our lives.

We are looking forward to the many new learning experiences, educational visits and shared times together this year will bring.

Wishing you a lovely weekend
