

HISTORY

Ancient Greek Civilisation

Who were the Ancient Greeks?

Ancient Greek Democracy

Ancient Greek Olympics

The Battle of Marathon

Gods and Goddesses

The Trojan War

MUSIC

Ancient Greek Music: Children learn to understand and appreciate music from Ancient Greece and compose a soothing pitch notation for a Greek Myth.

Easter Passion Songs: Children learn songs for the Easter Passion production, singing with increasing timing and pitch accuracy, voice control, expression and diction. They listen to songs in great detail and strengthen their ability to recall sounds, through frequently repeating rhythm patterns and echo-singing phrases.

MATHEMATICS

Abacus Maths Scheme (See separate mathematics overviews)

RE - Come and See scheme

Local Church - Journeys
Eucharist - Listening and Sharing
Lent/Easter - Giving All

ENGLISH

Greek Myths and Legends - Learn about Greek mythology, and their story-telling culture. Analyse myths and extract morals and messages from them. Understand the reasons for the creation of these stories, and have the opportunity for children to imagine and write their own ancient myths and legends.

The First Olympic Games - Using 'How the Olympics Came to Be' children will research and create a programme for the first Olympic Games.

Greek Gods - Research and write about Greek Gods as a non-chronological report.

Poetry - The Myth of the Minotaur

DT

Design, make and evaluate a Greek Pot.

Year 3 Willow Class - Spring Term It's All Greek

PE

Gymnastics
OAA/Team Building
Dance
Swimming

COMPUTING

Presentation Skills: Use PowerPoint to create a branching story of a Greek Myth incorporating hyperlinks.

Animation: Create an animated cartoon using characters they design. They use a paint tool to create characters and backgrounds. They then create an animation by translating a storyboard into a series of scripted instructions (program) for graphic objects.

GEOGRAPHY

Locate the world's countries, using maps, to focus on Europe - place Greece on a map in relation to other European Countries.

Understand geographical similarities and differences through the study of human and physical geography of London, England and Athens, Greece.

ART

Greek Pots:

Explore shape, colour and images of Greek pots - sketching different pots.

Use Sgraffito to create a picture of a Greek pot.

Use clay to make marks and shapes to show life in Ancient Greece.

Architecture:

Look at the architecture of Greek temples and create own pictures using collage.

SCIENCE

Animals Including Humans - Linked to Olympians bodies and nutrition

Identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

Identify that humans and some other animals have skeletons and muscles for support, protection and movement.
