

Academy Newsletter

Summer Fair Planning Meeting

Please join the Academy and the PTA for a coffee and cake on Wednesday 16th May at 1:30pm, in the Assembly Hall to help in the planning of this event.

The PTA is an essential part of the Academy and is about much more than simply fundraising. The PTA exists to provide closer links between home and the Academy. It is an excellent way to bring staff, parents and friends together socially in support of the Academy; all working towards a common goal.

The PTA contribution is highly valued. The financial support enables us to create a richer learning environment for all our children.

It is fun too – just ask any of the Committee Members or PTA Helpers. Without your help and support this event will not be possible.

Academy Attendance:

EYFS – 97.4%

Year 1 – 95%

Year 2 – 94.2%

Year 3 – 96.1%

Year 4 – 96.2%

Year 5 – 94.4%

Year 6 – 96.6%

Overall Academy Attendance – 95.7

Our aim is 97%

Absence

Please ensure you leave a message on the absent line if your child is poorly or not going to be in school. If you leave a message on any other line it will not be picked up until later and you may still receive a phone call home.

Academy Lunch to Celebrate the Royal Wedding

If you would like your child to have lunch on this day, please note KS1 is Free and KS2 is £2.20 which can be paid on School Gateway. Please see the menu for this day

KS2 PTA Disco

Thursday 24th May
3:30pm – 5:15pm

Tickets £4.00

Includes
Pizza or Hot Dog
Sweets and Drinks

Mrs Rodney and Mr Lindsay's Weekly Challenge

Science Challenge

When humans burn wood, coal or gasoline the waste products that result from the burning can result in Sulphur and nitrogen compounds being added to the air. They are carried up to the level of the clouds and become incorporated into rain drops. The rain that contains such raindrops can cause changes to the water of lakes and rivers so that the fish die.

What is the common name for this destructive sort of rain?

Maths Challenge

True or false?

$1/20$ of a metre = 20cm

$4/100$ of 2 metres = 40cm

English Challenge

EYFS and Key Stage 1 = Can you think of 3 words with the suffix '-ful-'?

Key Stage 2 = Write a haiku. A haiku is a type of poem with 3 lines. Lines 1 and 3 have 5 syllables. Here's an example:

Saints Peter and Paul
Are the symbols of our school
We look up to them

All Challenges are to be completed by Wednesday and will be checked on Thursday

*Parents/Carers welcome to attend

Recycled Rockets

Calling all budding Rocket Engineers

Use your old 2 litre plastic bottles to create a recycled rocket.

Add fins to make it stable. You can even add a parachute.

Your rocket must be facing upside down so that the bottle opening is at the bottom.

They will be filled with air when launched, so please do not add any holes!

Launch will commence on **Thursday 24th of May.**

Any questions please ask Mr Nagre.

A Celebration of the Royal Wedding

Friday 18th May 2018

Wear Red, White and Blue

Afternoon tea party

Fun games

When
Harry met
Meghan..
