

Maths Homework

24/9/18

Use the column method to work out these subtractions.

Remember to take from your neighbour when you need to!

$$523 - 478 = \boxed{}$$

$$702 - 561 = \boxed{}$$

$$852 - 675 = \boxed{}$$

$$4000 - 3679 = \boxed{}$$

$$6000 - 4458 = \boxed{}$$

$$7000 - 5426 = \boxed{}$$

Using your knowledge of the 3 and 4 times tables answer these divisions (HINT - your times tables backwards! 😊)

$$12 \div 4 =$$

$$15 \div 3 =$$

$$20 \div 4 =$$

$$21 \div 3 =$$
