

Maths Homework

1/10/18

Write the following calculations in your book and mark with a ✓ or ✕

Be the teacher!

Mark Millie's work with ✕ or ✓.

1 $70 + 4 + 0.3 + \boxed{0.07} = 74.37$

4 $2.78 \times 10 = \boxed{27.8}$

2 $234 \div 10 = \boxed{23.4}$

5 $76 \div 100 = \boxed{7.06}$

3 $60 + 5 + \boxed{0.5} + 0.08 = 65.28$

6 $5.3 \times \boxed{100} = 530$

Double and double again to calculate these (or use the grid method if you prefer ☺):

7) $56 \times 4 =$

8) $153 \times 4 =$

Halve and halve again to calculate these (or use long division if you prefer ☺)

9) $64 \div 4 =$

10) $268 \div 4 =$
