

Following the Render's Run last Friday, answer the questions below as if you were speaking - so include speech punctuation and a variety of reporting verbs, not just 'said'.

Challenge yourself to move the reporting verb around (remember it can be at the beginning or end as I have shown in my questioning below)

You only need to write your replies but they must be accurately punctuated!

"What did you wear to the Render's Run?" asked Miss. Everson.

Mrs. Rodney questioned, "How did you warm up?"

"Who did you run alongside during the sponsored run?" quizzed Mrs. Mint.

"What was the best part of the run for you?" probed Mr. Stringer.

Mr. Nagre wondered, "Did you run as fast as me?"

Mr. Lindsay said, "How did you feel after taking part in the Render's Run?"
