

Maths Homework - Blue group 5/11/18

Double these numbers: 1) 43 2) 36 3) 24 4) 39 5) 46

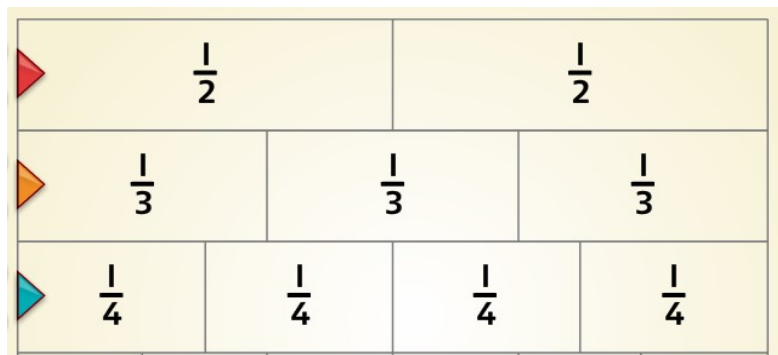

Halve these numbers: 6) 64 7) 48 8) 25 9) 86 10) 36

Remember the 3 steps:

First partition the numbers.

Then half or double the units and half or double the tens.

Finally add them back together.

Use the fraction strips to help you solve these questions:

$$\frac{1}{2} \text{ of } 8$$

$$\frac{1}{4} \text{ of } 8$$

$$\frac{1}{4} \text{ of } 12$$

$$\frac{1}{3} \text{ of } 9$$

$$\frac{1}{3} \text{ of } 15$$
