 $\stackrel{\wedge}{\sim}$

☆

 $\stackrel{\wedge}{\swarrow}$

 $\stackrel{\wedge}{\swarrow}$

 $\stackrel{\wedge}{\Rightarrow}$

Write the amount in each purse.

Write the coin that is missing from each box.

★You have £10

How many different things can you buy with your money?

Make 5 different lists - write down what you have bought and the total cost of each list.

E.g. <u>List</u> 1 A pencil case, a football and a teddy bear 2.50 + 1.50 + 4.95 case.

444444444

☆

Challenge

For each of your lists work out how much change you would get from your £10?
