

Key

Acute

Obtuse

Right angle

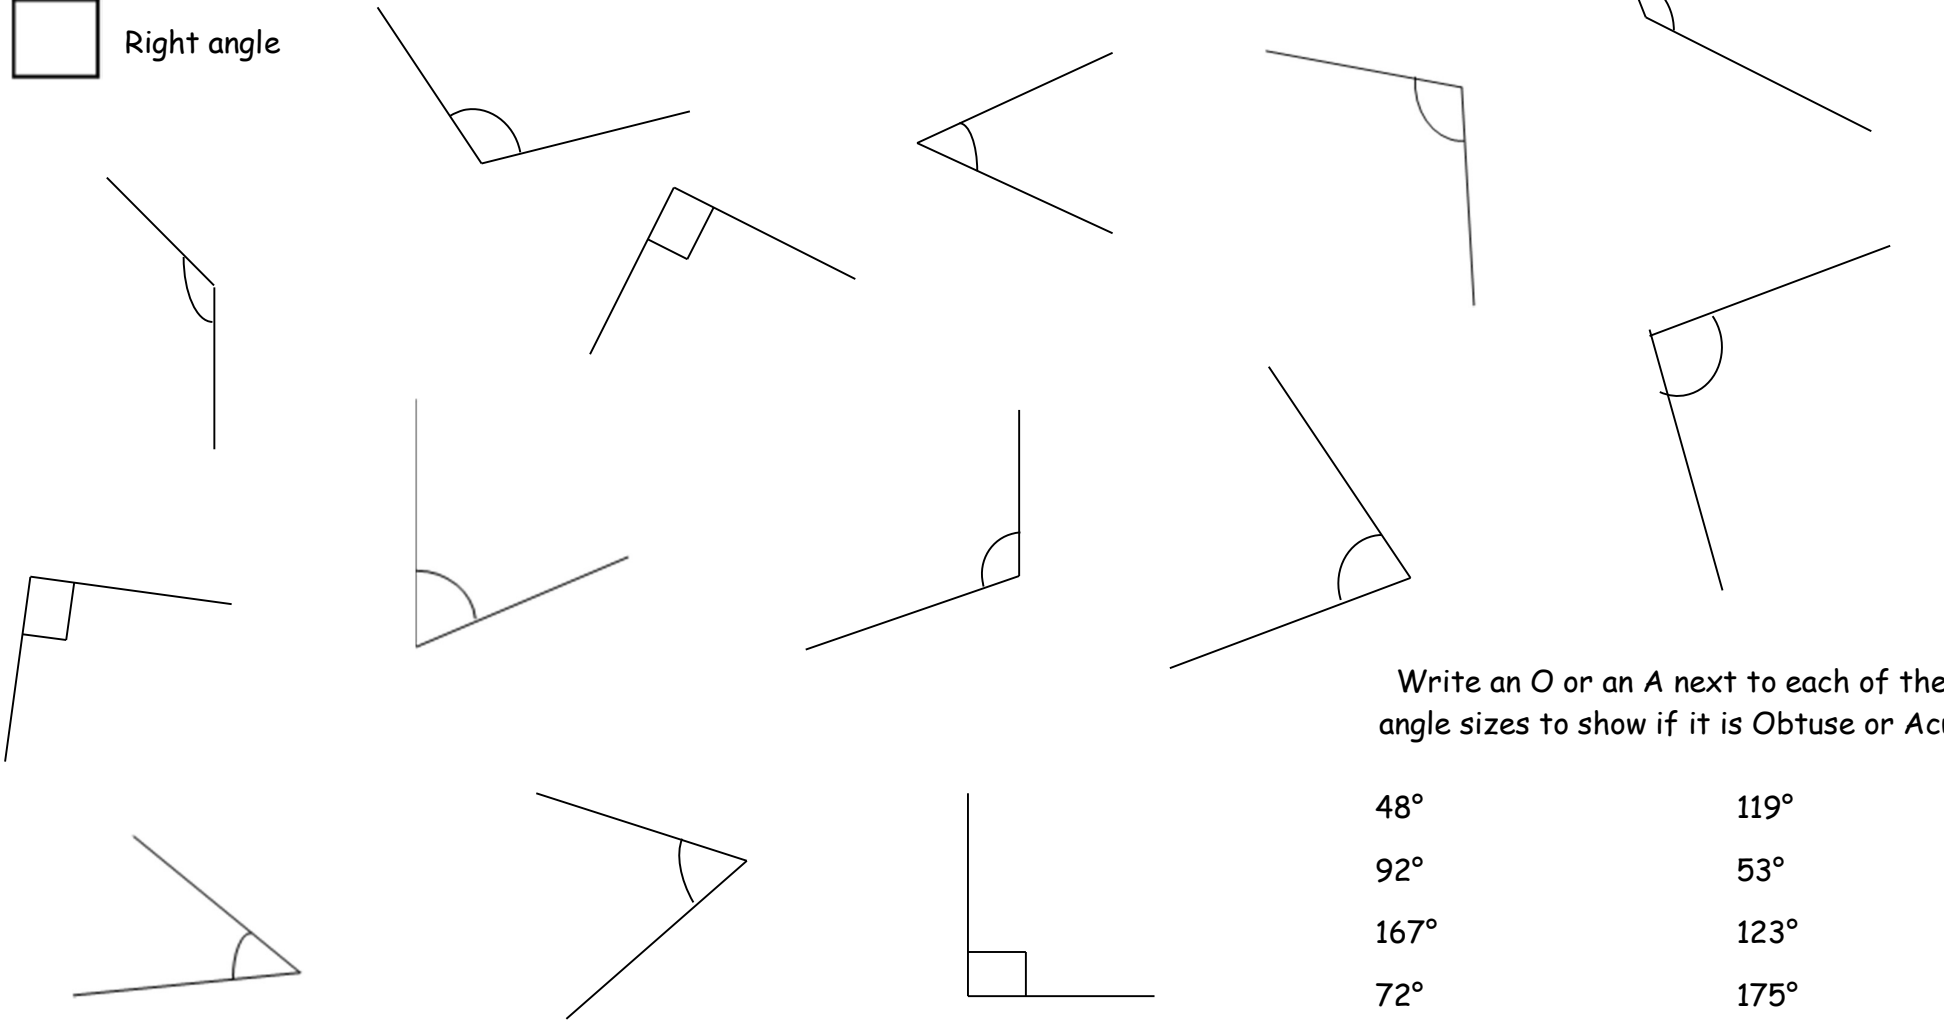

Year 5 Maths Homework - Mr Lindsay's Group 19.11.18

Acute angles are less than 90° .

Obtuse angles are less more than 90° , but less than/more than 180° .

Choose 3 colours, fill in the key, then colour the angles as appropriate.

Use a protractor to measure the angles.

Write an O or an A next to each of these angle sizes to show if it is Obtuse or Acute:

48°

119°

92°

53°

167°

123°

72°

175°

86°

35°
