

Year 5 Maths Homework – Mr Lindsay's Group – 3rd December 2018

1. At the beginning of the year, there was £8452 in the school budget. By the end of the year, £7864 had been spent. How much is left in the school fund?

2. At a weekend summer fair, £4673 was raised.
At a similar fair in winter, £8347 was raised.
 - i) How much was raised altogether?
 - ii) How much more was raised at the summer fair than at the winter fair?

3. Here are some distances:

Journey	Distance (kilometres)
London to Paris	934 km
London to Rome	1461 km
Paris to Rome	1186 km

A plane flies from London to Rome and then on to Paris.
How much further is this than flying direct to Paris from London?

4. A ship arrived at a port carrying 657 tonnes of cargo. 98 tonnes of cargo were unloaded. The ship was then loaded with 61 tonnes before leaving the port.
How much cargo was on the ship?

5. The populations of the three largest towns in a county were 6754, 4534 and 2971.
What was the total population of these three towns?
