

## Year 2 Homework

### Australian Animals project

This homework will be carried out over two weeks. It will need to be returned on **Monday 28<sup>th</sup> January**.

Your task is to produce a poster about an Australian animal of your choice and include at **least 3 facts**.

Please be as creative as possible using feathers, tissue paper, goggily eyes, sand, fur and craft paper.

The best posters will be displayed around the school; I look forward to seeing your wonderful creations.

Miss Henry
