

## English Homework

21.1.19

These are just some of the weird and wonderful creatures we have met in our text, *The Arrival*.

Imagine that you are the illustrator for this story.

Create your own creature.

1. Draw the creature
2. Write a description about your creature e.g. what is its habitat? What is its diet? Describe its personality. Add any other interesting facts.

In your description, try to include all the ideas we have been working on in class.

Here is a checklist to help you remember:

- Adverbs (how and action is performed) e.g. ferociously, silently, gracefully
- New and interesting verbs e.g. soaring, chattering, swooping, chugging
- Relative clauses ( they begin with who, that, which, whose, whom and come in the middle of a sentence) e.g The minute, two- legged creature, whose eyes are midnight black, enjoys pecking seeds. This spiky creature, that enjoys riding in his owners back pack, lives in trees.
