

Year 3 - Maths Homework - yellow and purple groups

4/3/19

Use the expanded column method (as shown below) to work out these addition sums

1) $123 + 374 =$

2) $167 + 421 =$

3) $346 + 237 =$

4) $457 + 124 =$

5) $762 + 159 =$

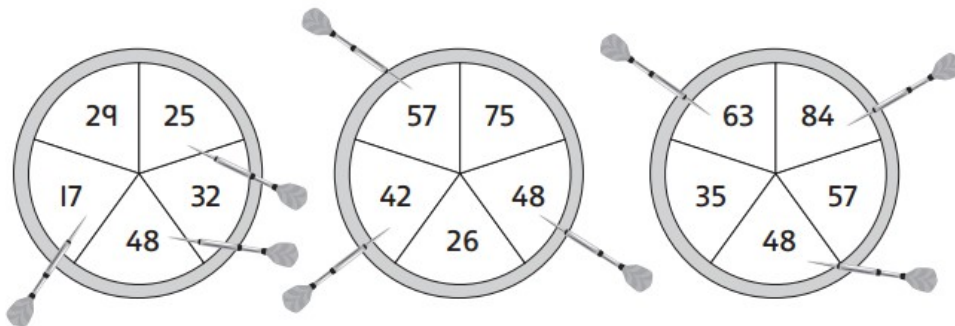

6) $547 + 261 =$

I.

100	20	3
300	70	4

Dart trios

- 6 Which dartboard do you think had the top score?
Work out each score to find out.

Make 180!

- 7 On which dartboard is it possible to score 180 with three darts, each on different numbers?
