

Year 5 English Homework – Mr Lindsay's Group - 4th March

Write a detailed description of the 'Lost Thing' from the book we are reading in class.

Make sure that you include descriptive language, including similes and metaphors. It is always useful to compare what you're describing to relatable objects and items.

Remember:

- **Simile:** Uses 'like' or 'as' to compare → Its claw-like arms were *waving like tentacles* in the air.
- **Metaphor:** Does not use 'like' or 'as' → Its legs were slithering snakes of metal protruding from below.
