

## English Homework 29.4.19

In English we have been working on persuasive writing techniques.

### Points to remember:

1. Use persuasive sentence starters e.g. Without a doubt in my mind...I believe that...Surely you can see...
2. Use questions to make your reader think about the arguments you are making e.g. What would happen if...Don't you agree that...Wouldn't it be wonderful if...
3. Use emotive language e.g. I'm extremely concerned about...Imagine...
4. Be descriptive in the points you make. You need the reader to believe in your point of view.

**Task:** Write a letter to Mrs. Seymour to persuade her that we need an extra play time during the afternoon.

Use all the points above to make your letter as persuasive as possible.
