

Maths Homework

17.6.19

Equivalent percentages, decimals and fractions

%

%

Complete the table below:

Fraction	Percentage	Decimal
		0.25
	50%	
3/4		

Find the percentage of these amounts:

HINT: to find 10% divide the whole number by 10!

If you want 20%, just double the answer!

1. 10% of 50	2. 10% of 180
3. 20% of 120	4. 30% of 60
