Dear Parents / Carers

SUMMER FAIR – A HUGE THANK YOU!

I just wanted to thank everyone for the incredible support you gave the PTA at the Summer Fair this term. Those of you who were able to volunteer their time to help on the day did a wonderful job in ensuring the event was a resounding success. The many children and their families who joined in the fun and games also made a fantastic contribution toward the funds raised.

As your PTA near the end of their first year at the helm, we are delighted with the support we have received, and are really excited about expanding and developing activities in the coming year. The fair overall again made an amazing **£2250** which was brilliant, although there was a rather surprising 50% drop in raffle ticket sales – let's try to turn that around for the Christmas raffle next term! All money raised goes towards improving the school experience for your children, and after funding 30 Chromebooks for the Academy this academic year, we will move to the next fund-raising project – to be announced at the AGM.

Next term we have a number of projects in mind which we hope you will be able to support. This will include a welcome back barbeque or afternoon tea, a new after-school club of mini-Olympics led by another international athlete/coach, a new art competition for all years, and of course the Christmas Fair. Tuck Shops will continue, we will have our Annual General Meeting on October 4th (time tbc), and we are also looking at options for a parents/carers social event, not to mention something for the children too.

We do understand that very young siblings and/or work commitments can constrain how much you are able to do, but whatever contribution you are able to make, however small, will always be hugely appreciated. This said, I would like to thank Year 6 and Mrs Rodney for providing staff for the tuck shops this year – great experience for the children, and one less headache for your PTA!

So, thank you so much again for your support, and on behalf of all in the PTA, we hope you have a super summer break, and return suitably refreshed in September. To all the Year 6 parents/carers, all the very best as your children move onto secondary school, and thank you so much for your help and support during your years at St Peter and St Paul.

Kindest regards

JOHN V. POWELL MBE
