

Friday 12<sup>th</sup> July 2019

Dear Parents/Carers,

The EYFS team would like to say a huge thank you for the wonderful gifts that we received at the Graduation. It was very kind of you.

For homework this weekend, we have attached a Keyword Power Point. Please help your child to practise reading these words by sight. At this stage, your child should be able to recognise a range of keywords. If they are struggling to read many of the words, it is essential for you to practise reading these words over the summer holiday. **Please do not print the Power Point.**

Thank you for your support.

Kind regards,

Mrs Sanford and Mr Stringer
