

Year 3 - Maths homework - Purple and yellow groups

16.9.19

Greater than, less than

Put one of these signs, $<$, $>$, $=$, between each pair of numbers.

- 1 709 907 3 424 442 5 399 401
2 135 134 4 201 102 6 279 297

Write a number which lies between each pair.

- 7 365 370 10 123 132
8 990 992 11 699 705
9 501 511 12 550 555

Adding and subtracting

Complete these additions and subtractions.

- 13 $42 + 38 = \square$ and $42 - 12 = \square$
14 $58 + 24 = \square$ and $58 - 26 = \square$
15 $65 + 17 = \square$ and $65 - 33 = \square$
16 $73 + 19 = \square$ and $73 - 31 = \square$

Pattern challenge!

Can you explain
the pattern?

- 17 Compare the answers you wrote in each box
for questions 14, 15 and 16.

What pattern do you notice?
