

Year 3 - Maths Homework - 23-9-19

We have halving and doubling numbers this week, remember the method we have been using (I have done an example below) and try these in your maths homework books.

Example: Halve of 68 = 34

Blue and green - numbers 1-3

Orange and red - numbers 1-5

Yellow and purple - numbers 1-8

Halve these numbers:

1. 46
2. 34
3. 58

Double these numbers:

4. 28
5. 37
6. 59

Complete these sequences:

7.

8.
