Dear Parents/Carers,

Our names are the first gift we are given by our Parents/Carers, and we all have a strong attachment to our own name. Please can you talk to your child about the significance of their name. This could include what their name means and why they were given the name, e.g. named after a family member, name related to a religious character, having a special meaning etc.

After discussion with your child, please can you write your child's name story on the paper provided. Your child will be sharing their 'name story' in class after half-term. This work will be displayed in your child's Religious Education book.

Many thanks for your support.

Kind regards,

Mrs Sanford and Miss Williamson
