

Friday 8th November 2019

Dear Parents/Carers,

Your child has been given a homework book and this has been put inside their reading folder. This week we have been reading a story called *I Love You, Blue Kangaroo* by Emma Chichester Clark. Your child must draw a picture of their favourite toy and write a label in their homework book. For example, if your child draws their favourite teddy bear, encourage your child to have a go and write teddy next to their picture. It is important for your child to write the letter sounds that they can hear in the word. Please do not worry about your child spelling the word correctly.

Additionally, we would like the children to practise forming numbers up to 10 correctly in their homework book. Please do this on the next clean page. If your child forms a number incorrectly, please encourage your child to write the number again. Remember to give your child lots of praise for their hard work.

Please encourage your child to keep their homework book neat. Your child will need to write with a pencil and they can use colouring pencils to colour in a picture. Please write any adult comments with a pencil.

Many thanks for your continued support.

Mrs Sanford and Miss Williamson
