Dear Parents/Carers,

In RE we have been thinking about how much God loves us. For homework this week, the children need to creatively show how it makes them feel knowing that God loves them. The children will not be given their homework book as this is a creative piece of work.

Some ideas!

- A heart collage.
- A painting expressing happiness.
- A dove made from different materials to represent peace.
- Mosaic sun – to represent the warmth/love from God.

The Early Years children are very creative and we always showcase their work. Please encourage your child to use their imagination and create a masterpiece!

Thank you for your continued support. We hope you have a lovely weekend.
