

Year 5 English Homework – 25th November 2018

Write a description of the Hall Place Tudor mansion. Be sure to include the Great Hall, dining hall, and minstrel's gallery. Be sure to use figurative language, including similes, metaphors, and personification. Be as detailed as possible!

If you did not attend the trip, speak to me so I can provide you with images of the mansion, and you will write a description of Hall Place from images. Alternatively, you can look up images on the internet yourself and write your description using those resources.
