

Year 5 Maths Homework – 9th December

Here is the price list of a shop:

Christmas cracker: £1.50

Mince pie: 75p

Candy cane: 45p

Christmas cake: £2.40

Answer the following questions, and be sure to show your work:

1. How much would it cost to buy 3 Christmas crackers and 3 candy canes?
2. If you had £10, how many Christmas cakes could you buy? How much money would you have left over?
3. How much would it cost to buy 4 mince pies, 4 candy canes, and a Christmas cake?
4. If you bought 5 candy canes, how much change would you get from a £5 note?
5. How much would it cost to buy 2 of each item?
6. Make up your own word problem using these items, and then solve it.
