

Friday 10<sup>th</sup> January 2020

Dear Parents/Carers,

Our topic at the moment is all about dinosaurs. We have been thinking about how dinosaurs looked, what they ate and where they lived. We have created our own dinosaurs and written a description to accompany them. Please help your child to design a swamp where their dinosaur can live. Encourage your child to create the swamp using different materials and resources, and to write words to describe their swamp.

Kind regards,

Mrs Sanford and Miss Williamson
