

## **Year 5 English Homework – 13<sup>th</sup> January**

Write a diary entry as the man from 'The Arrival' as he is on the ship travelling to a new country. You will write about the reasons for leaving your home country, as well as the worries, fears, and uncertainties that the future might hold.

Be sure to talk about what the conditions on the boat are, as well as missing your family who you left behind.

As always, be sure to write at least a half page in your homework book.
