Homework

Dear Parents/Carers,

Our topic at the moment is all about dinosaurs. In class, we have listened carefully to the beginning sound in the word dinosaur. Together, think of some other words that begin with the 'd' sound, and encourage your child to write these words in their homework book. Help your child to cut out some more objects that begin with this sound. This could be from a newspaper or magazine.

Kind regards,

Mrs Sanford and Miss Williamson
