Dear Parents/Carers,

In RE we have been reflecting on different bible stories. For homework this week, we would like the children to research a bible story. Please read and discuss this story with your child. Then your child must retell the story through drawing different pictures. Your child might like to write a sentence about what is happening in the story. Please encourage your child to use their phonics to help spell new words.

We hope you have a great weekend. Thank you for your continued support.
