

Can you improve these simple sentences using your knowledge of adverbials (tell the reader more about the verb - When, how, where) and conjunctions (extend sentences - but, while, because, although, so)?

Write your improved version of each sentence in your English homework books.

Everyone have a go at **all** 5 sentences.

1. The dragon flew.
2. The dog barked.
3. The monkey climbed.
4. The diver fell.
5. The ship sank.
