

## **Year 5 English Homework – 9<sup>th</sup> March**

Imagine that the Lost Thing was actually yours, and you actually lost it. What might you do to find it again? For English homework, you're going to be designing and creating a 'Missing Poster' for your Lost Thing, in hopes of someone returning it to you. Be sure to include:

- Description
- Instructions on how to return it
- A variety of sentence types: statement, command, question, exclamation
- Writing and illustration that draw attention to the poster

Good examples will be put up on display on the class English working wall.

You may complete your homework in your homework book, or you may create an actual poster on larger paper/card if you wish.
